

# Maria's recommendations

I hope you have a wonderful time in Luxembourg, whether it's for a day or longer.

May you carry fond memories of this small but beautiful and unique country wherever your journey takes you next!

Have fun and enjoy life!

**Below are some places in Luxembourg that I personally recommend visiting.**

**I often go to these bars and restaurants myself and genuinely enjoy all the other spots on the list.**

**If you have any questions about Luxembourg City, the country in general, or even about me, feel free to reach out on WhatsApp or Instagram!**
